How to Find the Paper ?

The papers contained in the proceedings are double blind peer reviewed. The readers are advised to visit these tracks individually. Please read the contents of the particular track at the beginning and then select particular paper of your choice and view the paper under your track. We have tried to minimise errors as much as possible, but sole responsibility rests on the author(s). In some cases, we have provided 'abstract only' as per choice of the author (s) concerned. We do hope these papers would serve as most valuable source materials for furthering business research in the years to come. We appreciate the contributions of the authors and the editorial and administrative staffs, particularly, Tanzil Hoque and Nuha Jahan, Editorial Staff members of the World Business Institute, Australia.
